

2026 Golf Outing Information

Facility Description

Located a short drive from downtown Harrisburg, just east of historic Millersburg, lies Lykens Valley Golf Course. This 18-hole championship course boasts 6,300 yards of gorgeous Pennsylvania countryside. Set amid rolling hills, streams and wooded valleys, golf at Lykens Valley is a chance to test your game at one of the most picturesque settings in Central Pennsylvania.

Perfect for the player of any skill or ability level, the challenge at Lykens Valley comes from plenty of elevation changes, areas of water, sharp doglegs and a variety of other natural hazards that dot the landscape. The Harlan Willis designed course creates two distinct nine-hole challenges -with the par-4 3rd hole (a lengthy dogleg) and the par-3 10th hole (a 200-yard forced carry over water) playing as its two most difficult holes. Rated 70.2 and measuring a slope of 116, this true test of golf is sure to be one of the highlights of your golfing year.

Not only does Lykens Valley offer you an incredible destination to play this great game, it also comes with a variety of amenities including a full service Pro Shop, driving range, practice green, restaurant & bar, and on-property lodging facilities.
